Participation Fee*

Regular fee: CHF 300.-

Students including PhD students: CHF 100.-

*includes meals and accommodation

Registration

Please register and submit your abstract on the website scg.ch/chanalysis/2018.

Posters covering any topics in analytical sciences are welcome. The organizers will select twelve abstracts for contributed oral presentations.

Due to space limitations, the number of participants is restricted to a maximum of 120 persons. Participation will be on a first come first serve basis.

Travel Information

Dorint Hotel

Hubel 114

3803 Beatenberg

Tel.: +41 33 841 41 11

info.beatenberg@dorint.com

<http://hotel-interlaken.dorint.com/>

Room reservation and allocation will be handled by the conference office.

Traveling by train

Take the train to Interlaken West, then with bus to

Beatenberg Hubel.

Swiss Railway timetable on www.sbb.ch

Traveling by car

Motorway 6 from Bern direction Interlaken, exit Beatenberg

Organizing Committee

– Ernö Pretsch

– Marc J-F Suter

Scientific Program

Thursday, April 12, 2018

- 13.00 Conference Opening
- 13.05 [Enrico Martionoia](#), University of Zurich
«Heavy metals and plants: how plants can be used in cleaning up soils and producing safe food»
- 13.50 [Eric Bakker](#), University of Geneva
«Closed bipolar membrane electrodes to translate electrochemistry into colour»
- 14.20 Contributed lectures
-
- 15.00 Coffee break
-
- 15.30 Contributed lectures
- 17.00 Poster session
-
- 18.30 Dinner
- 21.00 Get-together party
-

Friday, April 13, 2018

- 09.00 [Bodo Hattendorf](#), ETH Zurich
«Laser ablation under pressure for mass spectrometry-based element imaging without an ICP»
- 09.30 [Renato Zenobi](#), ETH Zurich
«Exhalomics»
-
- 10.00 Coffee break
-
- 10.30 Contributed lectures
- 12.30 General Assembly of the Division Analytical Sciences of the Swiss Chemical Society
-
- 13.00 End of the meeting
-

CHanalysis 2018

The Division Analytical Sciences of the Swiss Chemical Society (SCG/DAS) is organizing CHanalysis, a meeting of Swiss analytical scientists. With this email, we invite you to participate in the next meeting on 12–13 April 2018.

The goal is to stimulate a stronger cooperation among persons working in different areas of analytical sciences. Scientists from applied and fundamental research, from industry, education, and regulation are welcome.

Important Dates

- Submission of abstracts: by March 2, 2018
- Notification of acceptance: March 16, 2018
- Registration: until March 23, 2018
- Meeting: April 12–13, 2018
